#### INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and City Council Minneola, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash of the City of Minneola, Kansas and its related municipal entity, the Minneola City Library (collectively referred to as the Municipal Financial Reporting Entity), as of and for the year ended December 31, 2018, and the related notes to the financial statement.

### Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note A; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note A, the financial statement is prepared by the Municipal Financial Reporting Entity on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Municipal Financial Reporting Entity as of December 31, 2018, or changes in financial position and cash flows thereof for the year then ended.

### **Unmodified Opinion on Regulatory Basis of Accounting**

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balances of the Municipal Financial Reporting Entity as of December 31, 2018, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note A.

#### **Other Matters**

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash (basic financial statement) as a whole. The summary of regulatory basis expenditures – actual and budget and the individual fund schedules of regulatory basis receipts and expenditures (Schedules 1 and 2 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note A.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the Municipal Financial Reporting Entity as of and for the year ended December 31, 2017 (not presented herein). and have issued our report thereon dated October 5, 2018, which contained an unmodified opinion on the basic financial statement. The 2017 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the website of the Kansas Department of Administration at the following https://admin.ks.gov/offices/chief-financial-officer/municipal-services. The 2017 actual column (2017 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures for year ended December 31, 2018 (Schedule 2 as listed in the table of contents), is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2017 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2017 basic financial statement. The 2017 comparative information was subjected to the auditing procedures applied in the audit of the 2017 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2017 basic financial statement or to the 2017 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2017 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2017, on the basis of accounting described in Note A.

#### NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies applied in the preparation of the accompanying financial statement is presented to assist in understanding the City's financial statement. The financial statement, schedules, and notes are representations of the City's management, which is responsible for their integrity and objectivity.

# 1. Municipal Financial Reporting Entity

The City of Minneola is a municipal corporation governed by an elected mayor and five-member council. This financial statement presents the City of Minneola (the Municipality) and its related municipal entity. The related municipal entity is included in the City's reporting entity because it was established to benefit the City and/or its constituents.

**Minneola City Library**. The Library operates the City's public library. The members of the governing board of the Library are approved by the City Council. The Library is fiscally dependent on the City because the City provides substantial financial support in the form of appropriations. In addition, the Library is prohibited from issuing bonded debt without the approval of the City Council.

### 2. Basis of Presentation - Fund Accounting

The accounts of the City are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the City for the year ended December 31, 2018:

#### REGULATORY BASIS FUND TYPES

<u>General fund</u> – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

<u>Special Purpose fund</u> – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

<u>Bond and Interest fund</u> – used to account for the accumulation of resources (including tax levies and transfers from other funds) and payment of general long-term debt.

<u>Business fund</u> – funds financed in whole or in part by fees charged to users for goods or services (i.e. enterprise and internal service funds, etc.).

### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# 3. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

### 4. Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in the official newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held, and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 4. <u>Budgetary Information (Continued)</u>

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which receipts are recognized when cash is received, and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for the Equipment Reserve and Capital Improvements special purpose funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

#### B. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds to have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Custodial credit risk - deposits. Custodial credit risk is the risk that, in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2018.

At December 31, 2018, the City's carrying amount of deposits was \$494,655 and the bank balance was \$504,708. Of the bank balance, \$250,000 was covered by federal depository insurance and \$254,708 was collateralized with securities held by the pledging financial institution's agents in the City's name.

# C. LONG-TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2018 were as follows:

<u>lssue</u>	Balance beginning of year	Additions	Reductions/ payments	Balance end of year	Interest paid	
General obligation bonds: General improvements Issued September 28, 2009 In the amount of \$465,000 At an interest rate of 2.0%-4.25% Maturing November 1, 2020	<u>\$ 145,000</u>	\$ <u>-</u>	<u>\$ 45,000</u>	\$ 100,000	\$ 6,05 <u>0</u>

			<u>\$ 207,550</u>
Transfers to related municipa	l entity:		
Library Library Employee Benefits	Minneola City Librar Minneola City Librar		\$ 17,880 2,075
			\$ 19,9 <u>55</u>

#### E. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Death and disability other post employment benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2018.

Compensated absences. The City's compensated absence policy permits employees to accrue hours based on years of service and employment classification. The maximum accumulation also depends on years of service and employment classification. Upon reaching the maximum number of hours accrued, the leave accrual will change to extended leave and be deposited into the employee's Extended Illness Bank until the maximum hours are attained.

#### F. DEFINED BENEFIT PENSION PLAN

#### General Information about the Plan

Plan description. The City of Minneola participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at <a href="www.kpers.org">www.kpers.org</a> or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.39% for KPERS and 20.09% for KP&F for the fiscal year ended December 31, 2018. Contributions to the pension plan from the City were \$11,366 for KPERS and \$11,519 for KP&F for the year ended December 31, 2018.

### F. DEFINED BENEFIT PENSION PLAN (CONTINUED)

### **Net Pension Liability**

At December 31, 2018, the City's proportionate share of the collective net pension liability reported by KPERS was \$126,988 and \$53,768 for KP&F. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2017, which was rolled forward to June 30, 2018. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at <a href="https://www.kpers.org">www.kpers.org</a> or can be obtained as described above.

#### G. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and, natural disasters. The City purchases commercial insurance to cover these risks. There have been no significant reductions in coverage from the prior year. Settled claims have not exceeded coverage in any of the past three years.

#### H. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 27, 2019, the date on which the financial statement was available to be used. Management's evaluation concluded that there are no subsequent events required to be recognized or disclosed in the financial statement.
